OUR PRESIDENT

RALPH WALDO LLOYD

B.A., B.D., D.D., LL.D.

President of Maryville College for twenty-two years, Dr. Ralph Waldo Lloyd is loved and respected as a friend, a guide, and an able administrator by every student. Although his national and international participation in educational and religious affairs often take him away from the campus, he is still an integral part of college life.

The most interesting of Dr. Lloyd's travels this year was a six weeks' trip to India as a member of the Central Committee of the World Council of Churches.

We all greatly admire Dr. Lloyd and shall always think of him with warmth and esteem.

THE LATE DR. THOMAS A. GRAHAM

Life's race well run,
Life's victory won,
Now cometh rest."

FOOTPRINTS
OF ACTIVITIES

Each year the CHILOWEAN Editorial Staff is given the honor of presenting its choice for the Girl of the Year. The final decision is made after much consideration of all the Senior girls. This year the staff has chosen a girl whom they consider an outstanding representative of the true spirit of Maryville. She has been active in Y.W., has worked hard at two Student Help positions, and has been a member of the Vesper Choir. These are a few of her activities, but it is not for

these alone that the CHILOWEAN makes its choice. Her friendly, cheerful personality and her willingness to think of others first, as well as her activities, have won her many friends. It is these qualities which have made her years at Maryville a success and which will undoubtedly carry her to success in a Christian life ahead. Realizing that many other girls may also have been chosen, the CHILHOWEAN is proud to present its choice for Girl of the Year—Mildred Cooper.

BOY OF THE YEAR

Mr. George Carpenter

The CHILLOWEAN Editorial Staff is also honored to present its choice for the Boy of the Year. "Friendliness plus" is the outstanding quality of this boy. He is never too busy to speak to everyone he meets. But this is not all by any means. He has contributed to several musical productions, has been a member of the Vesper Choir, has worked cheerfully waiting tables, and has enter-

tained everyone during football season with his twirling. These are a few of his activities which, when added to his friendliness, his helpfulness, and his Christian character, have made him a true friend to all. After consideration of all Senior boys, among whom are several well qualified to represent success in the spirit of Maryville, the CHILLOWEAN is proud to present its choice for Boy of the Year—George Carpenter.

BARNWARMING QUEEN

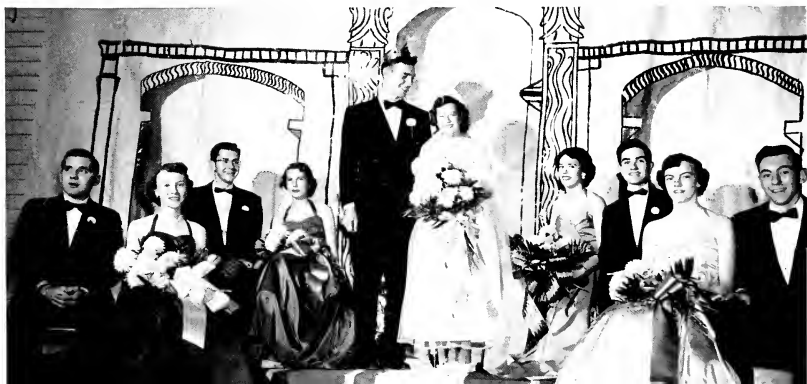

Although this annual Thanksgiving show is eagerly anticipated by students and town people as a time of great enjoyment, the real purpose of Barnwarming is to give Maryville the opportunity to offer her thanks by helping others. This year the proceeds of the production went to four alumni working in the mission field in Egypt, India, New Mexico, and Alaska.

The presentation of "Music and Magazines" featured the problems of a hard working girl whose twin sister was a famous model and designer. The well-remembered "Callaghan Chorus" and many other fine acts were combined to make the show very enjoyable.

require much training toward unity.

Through recent concert tours in Tennessee and such places as Washington, Baltimore, Philadelphia, Pittsburgh, Cincinnati, and Chicago, the Vesper Choir has well represented the college and has become

The Maryville College Vesper Choir, under the direction of Mr. Harry Harter, is an important part of the life on the Hill. The sixty members are selected each fall through a series of highly competitive try-outs. Singing for the weekly Vesper service, presenting music for special chapel services, and giving concert programs are a part of the regular activities which

known as an excellent music organization. They have also sung on television, on nation-wide radio broadcasts, and with the Knoxville Symphony.

During the year the Vesper Choir provides inspiration and entertainment for its listeners and good fellowship for its members in parties, Christmas caroling, and other activities.

With Mr. Curtis Hughes directing, the Maryville College Band and Orchestra provide variety in music throughout the school year. In the fall the Marching Band performs in parades, at the football games, and this year on the weekly broadcasts of pre-game radio pep rallies. It is well known for its high cadence and Scotch kilied majorettes. During the spring semester the Concert Band carries on the band activities.

The Symphony Orchestra, with Katherine Crews as Concert Mistress, is active all year, accompanying the December performance of the "Messiah" and giving Fall, Children's and Commencement concerts. Each year the Orchestra features a concerto played by one of our own outstanding music students.

ALL GIRL CHOIR

MEN'S GLEE CLUB

The All Girl Choir and Men's Glee Club, led by Miss Edrie Sellick, give many important performances jointly and separately throughout the year. They alternate in singing for Vespers the first Sunday of each month and together sing joyously at the Christmas Vesper service.

In the spring these groups entertain

with an operetta or a "Springtime Serenade," a program of select semi-classical and popular music. Besides giving these and other excellent performances, the glee clubs have fun and fellowship in parties and caroling and this year sponsored the Jeans' Drag instead of the usual Sadie Hawkins Dance.

Tau Kappa Chi is an honorary society composed of students whose aim is the promotion of student and community interest in music and in the furthering of all types of musicianship. Members are Doris Holt, president; Joyce Linginfelter, treasurer; Glen Gentry, secretary; Joyce Kaebnick; and Barbara Scott.

The Disc Club is a group of students and faculty sincerely interested in good music. They meet every other week to listen to records of music of all kinds with attention to form and style.

As the last crescendoing chords of the final chorus still echoed in the Alumni Gymnasium, the assembled audience was aware that this, the twentieth annual presentation of Handel's Messiah had been one of the finest. Consisting of nearly three-hundred vocalists, the chorus drew talent from the Vesper Choir, the All Girl Choir, the Men's Glee Club, and from interested students, faculty, and townspeople.

The chorus and soloists were accompanied by the College Symphony Orchestra with Miss Katharine Davies at the console of the organ and Miss Garnet Manges at the piano. Mr. Harry Harter directed the entire presentation.

This year's orchestra and chorus joined in the true Christmas spirit by sending copies of the orchestrated Messiah score to the Oratorio Society of war-torn Korea.

The Fine Arts Division of Maryville College serves not only the people majoring in such subjects but the faculty, student body and the people of this area. A few of the activities which are products of this division are, artist series, art exhibits, orchestra, the glee clubs, disc club and the Vesper Choir. We are indeed proud of the varied opportunities it offers as well as the chance it gives us to set our pace toward greater advancement.

A R T A C T I V I T I E S

The Trapp Family Choir was our first semester Artist Series presentation this year. The family group composed of 8 people gave us an evening of enchantment with their varied program of folksongs. This was the second appearance of the Trapp Choir and from the manner in which they were received there is no doubt that they will be asked back again and again.

Luigi Sylva, cellist, was scheduled to appear at Maryville on January 23. Due to an illness he was unable to appear and at the date of the publication his concert date was still uncertain.

again for his thirtieth year as director of the hymns and special music.

For his morning services Dr. Morgan developed the theme, "The Gospel—The Power of God." He pointed out that in this day of power the motivating power of Christ builds life and is the foundation for everything. He said it is the one way that will build construction. For his evening messages he showed how this power is used in human relationships.

Dr. Henry Barraclough of Philadelphia was guest accompanist for the latter part of the 1953 meetings.

FEBRUARY MEETINGS

There is probably more time and thought devoted by Maryville for the annual February meetings than for any other event of the school year. They bring the students in closer fellowship with God and with each other. The seventy-seventh series was led this year by Dr. Howard Moody Morgan, pastor of the Chambers-Wylie Memorial Presbyterian Church in Philadelphia. Dr. Sidney E. Stringham was back

MARYVILLE PLAYHOUSE

ART VAN ALSTYNE

The Maryville Playhouse, under the direction of Miss Kathleen Craven, gives to the campus several enjoyable evenings, but to the players it means much more. It means hours of work and fun, and valuable

knowledge and experience in the art of producing a play.

This year there were three main productions: "The Heiress," "Goodbye My Fancy," and "Antigone." To add more origin-

ality, "Antigone" was presented on the steps of Thaw using the architecture of the pillars to produce the atmosphere of the drama.

There were also four productions of experimental plays with as many as four plays used in one production.

Until this year the highest title which members could attain was that of a Player. However, to give more incentive for further work, a new point system has added the rank of Master Player. Now the members have a higher goal for which to strive.

The cabinet consists of the leaders of each committee. Miss Carolyn Blair, Mrs. Bonnie Brown, Mrs. Ralph W. Lloyd, and Mrs. Mary Pieper are the faculty advisers. Mrs. M. Cummings is the "Y" mother.

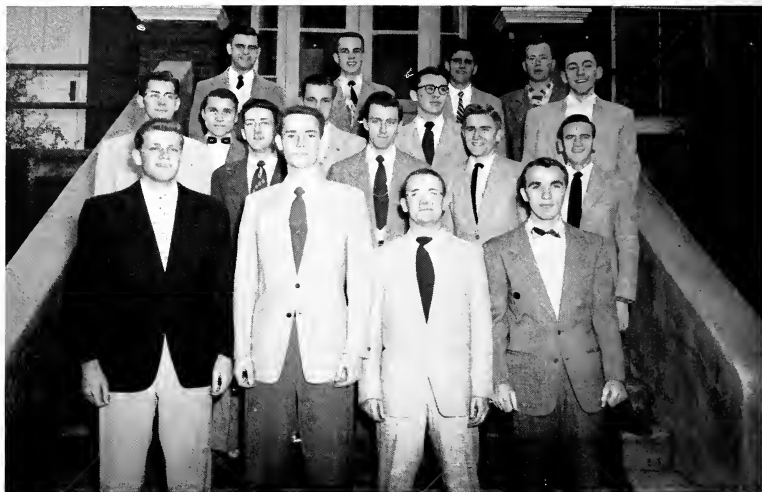

The Y.W. does much in creating the friendly spirit among the students, especially through its Big-Little Sister program.

There are many evidences in campus life of the work of the "Y's." In cooperation with Y.M. the association is responsible for many occasions of enjoyment such as the "Y" store, the Artist Series, dorm prayer meetings, the weekly radio programs and the "M" Book.

The theme for the year, "Your Lord Wants You; Your World Needs You," was carried through its projects and its Sunday meetings, all of which have been of

At the very center of this year's YMCA "Big-Little Brother" program were the ten "Key Men." These men, chosen from the YMCA, were placed in charge of the various "Big-Brothers," each of whom was in direct contact with a new man coming to Maryville. By letters of welcome and en-

couragement during the Summer, the new men were made to feel an actual part of the Maryville community even before their arrival on the campus. A spirit of true interest and friendliness continuing throughout the year between the "Brothers," soon made each man feel a very real part of life on the "Hill."

"One Christ, One Cross, One Command" is the theme this year of Maryville's branch of the National Student Volunteer Movement. Through the Sunday night meetings, special projects, and fellowship groups the members are encouraged to give their lives to missionary work. Those who do not feel called upon for full-time Christian service are made to feel the necessity of giving their generous financial support along with their earnest prayers in behalf of missionary service. The group has special speakers and programs all of which are aimed at giving the members a clearer understanding of foreign and national missions.

Pi Kappa Delta is a national fraternity which competes for forensic honors all over the country. Its purpose is "to stimulate progress in, and to promote the interests of intercollegiate oratory and debate and public speaking" through fellowship, cooperation, and interest; and to confer upon qualified candidates, according to merit, "a badge of distinction, proficiency and honor."

The faculty advisor of the Maryville debaters this year is Mr. A. F. Pieper. Last year the group attended the National Pi Kappa Delta Tournament in Columbus, Mississippi.

The name of this Honorary Forensic Society signifies "the art of persuasion beautiful and just."

As the circus came to town the "Merryville Midway" was bubbling with excitement for the Freshman class. Bainonian's "rush" on the new students came to a close under the Big Top with the presentation of "Big Top Blues." Clowns, acrobats, and beautiful girls all combined to make the show a gigantic success.

From the first week to the last the program featured such events as exchange meetings with Athenian, her brother so-

ciety, the three little girls eating lollypops, a moonlight hike, and a spring banquet. The Spring Formal was sponsored by Bainonian and Athenian.

The organization of chapters within the society brings the girls into closer fellowship, and each chapter is responsible for a Saturday night program.

"Here's to Theta Epsilon" and to her successful past year. Although the new rules limited rush weeks to three days, Theta's is no less to be forgotten. Colorful paper tulips along the walks gave to the campus the spirit of "A Holliday in Holland." Three days of Holland life for the freshman and then the formal, "Two Yanks in Holland," presented in cooperation with Alpha Sig.

But this was not all. The Saturday meetings featured such varied programs as a fireside meeting in the woods, an election

party, and of course the joint meetings with Alpha Sig. The Fall dance in "Candy Cane Lane," presented by Theta and her brother society, will always be remembered by all who attended. The choice of Alpha Sigma's Sweetheart, the moonlight hike, and a spring banquet are all exciting memories.

And something different was adopted. A chaplain was elected from the group to lead them in prayer before each meeting. This new addition seems very fitting with their motto which for many years has been: "Si deus nobiscum, Quis contra nos."

The purpose of the Social Board is to maintain an enjoyable and worthwhile social life for the campus. Saturday night fun, after-dinner-dances, and the Student Center are a few examples of their hard work which keeps the hill buzzing.

Under the leadership of Chairman Betty Hammers, faculty and student representatives plan and supervise the social activities for the year. To them the students owe a great deal of appreciation.

Pi Gamma is sponsored by Y.W.C.A. to give to the town girls the opportunities to make new acquaintances. The informal "get togethers" of this organization bring the girls closer to their classmates and make them feel more a part of the campus life and activities.

INTER-CLUB COUNCIL

THE "M" BOOK

In order that all organizations may have a part in Student Government the president of each club, not represented in Student Council, is a member of the Inter-Club Council. The president of this council, who this year is Bob Navratil, then represents all these organizations by his position as a voting member of Student Council.

One of the many services of YMCA and YWCA is the annual publication of The "M" Book, an explanation of the ABC's of campus life. Staff members this year were Bob Buchanan, Helen Drinnen, Barbara June Gregory, Lacy Woody, and Anne Yoakum.

FOOTBALL SEASON

The first practice session of the 1952 season saw a large group of gridiron candidates including twenty-five freshmen and sixteen lettermen getting in shape for what was to be one of the best football seasons in the memory of many Maryville students, a season which was to bring to an end a two-year losing streak.

Played before a capacity crowd of cheering fans, the first game of the season with Hiwassee College saw an inspired Maryville line open holes time and again which the backfield put to good

use, swamping the Tigers by a 39-0 score.

The Highlanders provided a warm welcome for the Gamecocks of Jacksonville State, a 15-0 victory for Maryville. Scoring on a Shepard to Gardner pass, the Scots piled up enough points in the first few minutes of play to put the game on ice.

Taking to the road, the Scotties embarked on a losing streak as they bowed to the Praying Col-

onels of Center College 20-0. Maryville outplayed the Colonels in the statistics column for the entire second half, but an early first half lead saw Center come out on top.

Still on the road, Coach Honaker's gridders ran into a homecoming celebration at East Tennessee State, and when the smoke had cleared away, the Scots had dropped their second loss of the season. Kinser's "dead-eye" passing was unable to stop the ETS tide which rolled to a final 13-33 tally.

The Orange and Garnet returned to the High-

Maryville line led by Dick Patton and Herrell Akers broke up play after play, but was unable to put a halt to the reverses of the tricky C-N backfield.

Avenging last year's lopsided score a determined Maryville eleven held highly-rated Georgetown to a 0-0 tie. A large Homecoming crowd watched the brilliant play of two Little All-Americans, Jimmy Campbell and big Joe Bender, spark a scrappy Maryville team to a moral victory.

Closing out the regular 1952 season with a

lands and led by the deceptive running of freshman Jimmy Harris, put up a game fight. But the stinging Wasps of Emory and Henry were a little too much for the Highlanders as their end-around plays tipped the scales in their favor, 13-34.

A crowd of faithful Maryville rooters traveled to Carson-Newman to see the Scots go down to their last defeat of the season 20-0. A fighting

bang, the Scotties repaid Carson-Newman for an earlier loss with a decisive 21-7 victory. A team victory in all respects, both line and backfield were at their best.

In a post-season game with Tennessee Wesleyan, approximately 2500 spectators watched an under-rated Maryville team rise from the mud-soaked field and hand the Bulldogs a 20-12 shel-

lacking. The game, a benefit for new band uniforms, saw an electric scoreboard erected and the playing field dedicated to Coach Lombe S. Honaker in his 32nd year at Maryville College.

"The will to win" did "bring success in the future" as the Highlanders ended the first winning season in two years with a very respectable 4-5 record.

Intramural Managers

INTRAMURALS

Organized to promote athletic interest among all men not actively participating in some varsity sport, the Intramural program of Maryville College emphasizes physical fitness, and good sportsmanship among players.

The program offers almost every type of organized sport including touch-football, soccer, basketball, softball, volleyball, tennis, golf, ping-pong, and badminton. A

wrestling match is also held and swimming, cross-country and track meets all have their places in the program.

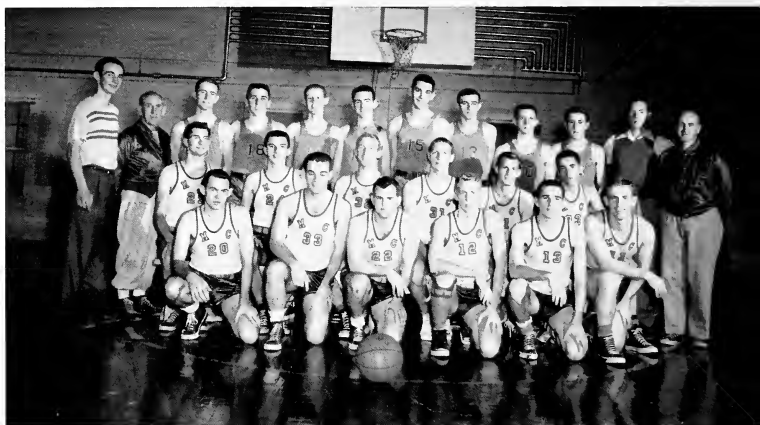

The close of the touch-football season saw honors going to the YMCA High-pockets as league champions, and to the Rebels as winners in tournament play. To coach Kenneth Johnson, the managers and referees go much credit in creating such an effective means of stimulating team and individual competition.

B A S K E T B A L L

Having only four lettermen returning from the previous season, Coaches Honaker and Johnson went to work in earnest to find a winning combination.

Getting off to a slow start, the High-

on the home hardward once again, the Scotties avenged their earlier loss and came out to the good with King College bowing out 70-66. Continuing their "win-one-lose-one" campaign, the Scots went

landers dropped their first game of the season to Oak Ridge Carbon-Carbide 73-78. Then going on the road for two games, the Maryville hoopsters split even, handing Hiwassee an 82-72 defeat, and then were snowed under at LMU 77-92. Playing

under again at TPI 65-88, but came back in time to take Hiwassee's measure 86-68. On the road again the score book saw another Maryville defeat recorded, this time to Tusculum 69-92. The next game on the schedule which was supposed to have been

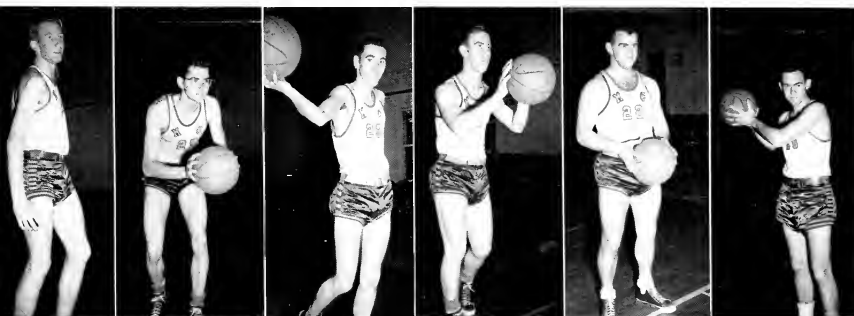

Abbot, Blair, Campbell, Delozier, Gooden, Henry

just another preliminary game before the business of the evening at U.T. turned into a main-event thriller as the hard-fighting Scotties defeated the U.T. "B" team 62-50. Dropping two in a row to LMU 51-71, and University of Chattanooga 67-73, the highlanders then set back Tennessee Wesleyan 80-69, almost completely reversing the score of last year's contest. As this

book went to press the season stood as almost a perfect split of 5-6 with eleven games on the card yet to play.

Standout of the season was Dick Abbott who, ably assisted by "Ace" McWilliams, Jack Keny, and the spirited playing of the entire team, accounted for much of its success in the scoring department.

Kenny, McWilliams, Patterson, Sheiton, Shepard, Wiley

BASEBALL

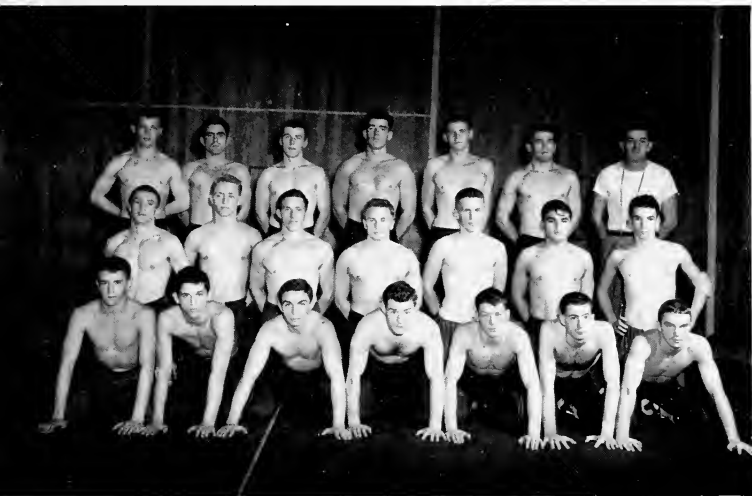

With the warm spring air once more resounding to the sharp crack of bat against ball, the diamond men of Coach Lombe S. Honaker took to the basepaths for the beginning of another season. Starting out with a bang, the Highlanders defeated Hiwassee 11-6, and then lost two close ones to Hiwassee in a return match 9-10, and Miami U. 5-6. Swamping Hiwassee in a third game 27-3, the Scotties hit a slump, losing three in a row to LMU 2-7, King College 9-10, and Morristown 10-12. Traveling to Nashville, the Honaker men gained a hard-fought 4-2 victory over

David Lipscomb, only to lose another close one 3-4 to Seward AFB. Still in the losing column the Scots were routed by the TPI Eagles 16-1, and fared no better against the Buccaneers of East Tennessee State, going under 1-6. Coming back with a vengeance, the Scotties won five straight, shutting out LMU 5-0, and defeating Milligan 8-3, Emory and Henry 5-4, and Milligan in a second game 13-3. Polishing off Carson-Newman 10-6 and dropping one to ETS 4-7, King College bowed to us 15-11. A 5-9 loss to Carson-Newman brought the season's won-lost record to 9 and 10, closing out the year.

With only Bill Morse and Paul Merwin returning as lettermen to form the nucleus for a new season of Maryville wrestlers, Coach Davis began the sizeable task of rebuilding almost a completely new team.

Opening the season with the ever-faithful Knoxville Y, the Maryville matmen got off to a good start by coming out on the heavy end of a 21-12 score. Then entertaining the grapplers of Middle

Tennessee State in the Alumni Gymnasium for the second match of the season, the Scots suffered their first setback, bowing out to the visitors 15-17. Getting back in the win column again Maryville decisively defeated the University of Chattanooga 18-12, with matches scheduled for MTS, Vanderbilt, Emory University, and Auburn as this book went to press. As in previous seasons Maryville will be represented at the SEAAU Tournament to be held this year at Auburn University.

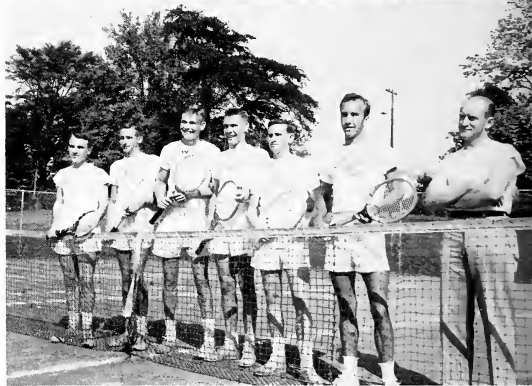

WRESTLING

CROSS COUNTRY

TENNIS

The "character builders" did more than just build character this year, accumulating an enviable season's record of 6 wins and 2 defeats, the latter to Tennessee. Dropping the first meet of the season to U.T., the Highlanders defeated William Jennings Bryan, then bowed again to U.T. Showing the stuff that makes a real team, the Harriers came back and took the last five meets in order, besting William Jennings Bryan, Sewanee, and Georgia Tech. Topping four other colleges at the first annual Bryan Invitational Meet at Dayton, Tennessee, the Thinlies brought back the winner's trophy, and defeating Sewanee a sec-

ond time, closed out one of the finest seasons on record.

After coming out on the short end of a match with the University of Tennessee, Coach Kenneth Johnson's fighting racketmen embarked on a very successful season, defeating such teams as Tennessee Wesleyan, Milligan, East Tennessee State, and Carson-Newman in a return match. Tying for third place in the Tennessee Intercollegiate Athletic Conference tennis tournament at Sewanee, the Highlanders accumulated a record of 8 wins and 4 losses, bringing another winning season to a close.

CHEERLEADERS

To the cheerleaders under the able leadership of Dixie Connor, goes the credit for keeping the "Maryville Spirit" high during the past year's athletic contests. Come rain or come shine, the white sweaters were always right in there with a spirited

"Howie-Howie" to keep the old pep going. During the past season the cheerleaders and the Pep Committee with Bob Navratil as chairman have done a real job at pep rallies, games, and snake dances.

CHILLIES

Not to be limited to the sidelines where athletics are concerned, the Women's Varsity program allows the women of the

tunity to earn the coveted "M" by an accumulation of points.

Membership in the Women's "M" Club is achieved only through the accumulation of four hundred or more points, acquired by active participation in the Women's Varsity program. Cooperation and good sportsmanship through friendly competition are the keynotes of the organization. Besides working toward general campus improvement, the members sponsored the Homecoming dance and also went on a hike to Tuckaleechee Indian Village. Another hike has been planned for the spring to conclude the season's activities.

MEN'S "M" CLUB

Entering its fourth year as a campus organization, the Men's "M" Club has done much to maintain "the spirit" between varsity lettermen and to aid worthy campus projects. Limiting its membership to those men who have lettered in intercollegiate athletics, the "M" Club furthurs the idea of good sportsmanship and fair play. Through funds accumulated by selling refreshments at the Blount County Basketball Tournament played in the Alumni Gymnasium, the "M" Club has been able to aid the purchase of a motion picture projector for the "Y's" and to contribute to equipment for the treatment of athletic injuries.

It's not whether you win or lose; it's how you play the game. Any one can accept victory, but it takes an outstanding person to accept defeat.

A person who displays the best of sportsmanship in competition is the person most likely to succeed.

THE MARYVILLE COLLEGE MAID SHOP

Maryville College is proud to have its name carried to many parts of the world under the label of the College Maid Shop. In war and peace, College Maid has served well the many individuals and agencies that look to her for nurses' uniforms.

The Maid Shop is a vital part of the Student Help program, but making money is not the only service to the college girls. Thru the use of shop equipment College Maids are able to make many of their own clothes and the clothes for others. The shop is proud of the expert seamstresses it has produced and many comments from satisfied customers attest to the value and efficiency of this training.
